

July 2019

For the past 13 years Butera's Restaurant of Smithtown has proudly served the Smithtown community, providing quality food and friendly service at a fair price in a nice atmosphere. Now, as we decide to pursue other endeavors, we have sold the location to another restaurateur and will be closing this Butera's location, effective August 4, 2019. Our last day of service will be Saturday, August 3, 2019.

We have developed many relationships and loyal customers over the years. The community of Smithtown has welcomed and has supported us – for that we will be forever grateful – thank you.

Our Woodbury and Sayville restaurants remain open and are more than happy to serve you there! And... the Butera family will be opening a new location in the village of Bay Shore early next year, 2020! We welcome you to come visit us there!

Many thanks to our staff, customers and the community of Smithtown!

Thank you for being part of Butera's Restaurant over the past decade. We wish you the best!

Sincerely,

The Butera Family
